# Harnessing Cultural Differences

We find comfort among those who  
agree with us - growth among those  
that don't.

— Frank A. Clark

*“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us.’ We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you not to be? ... Your playing small doesn't serve the world. There's nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. ... And as we let our own light shine, we subconsciously give other people permission to do the same. As we're liberated from our own fear, our presence automatically liberates others.”*

– Marianne Williamson
